

ORCHESTRA COMMITMENT FORM

My student and I have read and understand the orchestra manual and have marked all orchestra dates for the 2010-2011 school year. We understand that this is a performance-based class and are aware of the above stated orchestra policies. We are aware of the requirement to pay a student fee and to purchase a concert uniform as stated in this handbook. We are aware that failure to return a rental instrument will result in a student debt, which if not paid will cause final grades to be withheld.
